2021 Annual Report

A Letter from the Foundation President

“The only thing constant in life is change”
– Heraclitus

Over the past two years, many things have changed in the world but also we have seen significant change in the Hospital as well. The biggest news for the Foundation was the hiring of our new director, Mandy Lohrum. Mandy has a passion for the Hospital and the health and well being of the community that is unmatched. Although she hasn't even been on the job for six months yet, we can tell that the Foundation is in good hands for years to come.

The ability of the Foundation to raise funds over the last few years through events has been limited. We were still able to have both the Tee off Fore TaTa's and the Event Fore Caring. Both were a success for the Foundation. We also had an online auction in the spring and would like to thank everyone that participated. We were able to raise \$20,000 through this auction. We are happy that we will be able to meet in person for the Gala on April 22 with the theme being Springtime in Paris.

Through the grants the Foundation gives back to the hospital, we were able to help fund Dolly Parton's Imagination Library, provide sleep sacks, support the Healthy Fair screenings, and help purchase iPads for Speech Therapy. Your generous gifts this year have helped the Foundation continue to make a positive impact on the health of the community and contributed to DCMH placing in the top 10% of hospitals in the nation by the Centers for Medicare and Medicaid Services (CMS).

While the events and the grants are something the Foundation is proud to put on and support, Mandy has an increased focus to talk to you, our donors, one on one. She is able to outline some details of how a planned gift benefits you, the hospital and the health of our community for years to come. Please reach out to her if this is something that has been on your heart for how you can keep the Hospital in Decatur County moving forward.

We thank each and every donor throughout the year for their continued support for the Foundation. Whether that is through monetary donations, hours of volunteering, or other ways, your service to the Foundation is helping DCMH continue to grow and develop into one of the premier hospitals in the state of Indiana and to meet its Vision Statement “To be the gateway to health and wellness in our communities by delivering quality healthcare and wellness leadership through best practices and innovative partnerships.”

Sincerely,

Andrew Stewart

Mission:

My DCMH Employee Giving Fund was created to support the employees of DCMH, TCMP and DCPC.

The “My DCMH” committee offers two grants cycles per year. Total awarded money up to \$5000.00 for each request.

An ongoing and growing Employee fund allowing DCMH Staff to take an active role in how the hospital grows and meets the needs of both personnel and patients.

My DCMH grants approved for 2021 promoted better physical health for employees and increased knowledge and education. Decatur County Primary Care recieved a new outdoor seating area.

100th Celebration for DCMH

Decatur County Memorial Hospital was founded to serve the community and remains a community-owned hospital. The world of healthcare has changed drastically since 1922, and your support is more important than ever. The Hospital Foundation will be raising \$100,000 for 100 years this year. These funds will be used to support the initiatives of Decatur County Memorial Hospital.

\$19.22 per month donation
\$192.20 one-time donation
\$1922.00 for the year (one time or divided up per month)

100 years old!***

WAYS TO GIVE

2022 Hospital Foundation Gala - Friday, April 22nd

Our gala is the social event of the season in the Greensburg area. Over 300 businesses, physicians, and individuals support this event and come together to raise funds each spring for Decatur County Memorial Hospital. You can donate items, sponsor, or attend!

Legacy Society

In 2004 the Hospital Foundation started "The Legacy Society," which bestows special recognition to those who have remembered our Foundation in their estate planning. The vehicles are numerous including life insurance, charitable trusts, and simply remembering us in your will.

Special Gifts

Gifts to support the important work at DCMH are accepted at any time. They can be in the form of appreciated securities, check, credit card, life insurance or even real estate. Those contributions of \$1,000 or more are given special recognition on a permanent plaque located in the facility.

Memorial & Tribute Gifts

Often times a donor is seeking the perfect way to memorialize someone or honor a special individual. Memorial and tribute gifts allow this expression to take place and a tailored acknowledgement to be sent to the person honored or the family of someone memorialized. The gift is made even more special as it continues the important work at our Hospital.

Gifts of Assets

Gifts of appreciated securities or other holdings can often offer tax advantages for the donor. Such gifts are coordinated in partnership with the donor's tax advisor.

For more information on any of our giving opportunities please contact our Foundation Director, Mandy Lohrum at (812) 663-1220 or foundation@dcmh.net. You will also find more information at www.dcmh.net/foundation

New daffodils are planted every fall representing the previous year's contributions, thanks to the volunteer assistance of the Decatur County Extension Homemakers. A special acknowledgment of your donation may be sent to the individual being honored or to their family in case of memorials. These inspiring gifts provide pleasant reminders of your generosity each spring, returning year after year with a message of hope and promise.

Contributions may be made online or in our office at any time throughout the year. Donations received by September 11 will be planted in the fall of the same year. Those received afterward will be planted the following fall.

We appreciate your consideration and if you should have any questions regarding the program or other giving opportunities, please don't hesitate to contact our office at (812) 663-1220 or email us.
