Drug and Alcohol Screening Services

- We offer a variety of different options for drug screening to ensure an effective drug and alcohol program for your company. Our experienced staff are all DOT certified drug and alcohol collectors to ensure efficient and effective testing protocols. We can provide drug screens for a variety of reasons including **pre-employment, random, post-accident, reasonable suspicion and return to duty**. The types we offer are:
 - **Collection Only**
 - **DOT**
 - **Non-DOT 5 and 10 panel**
 - **5 and 10 panel instant**
 - **Oral Swab**
 - **Hair Follicle**
 - **Breath Alcohol**
- **Random Drug Testing.** We are able to enroll you in our random drug testing pool with assurance of a standardized random selection process. Our qualified staff are able to maintain the random pool for your company and adjust to your specific requirements. Random drug testing programs can help ensure your company's safety by preventing accidents and encouraging a productive and positive work environment.
- **Onsite Drug Testing.** Let us come to you and assist you in maintaining a drug free workplace. This helps eliminate the need for employees to leave the work-site which results in less down time for employees. Onsite testing also ensures compliance with your random drug testing program.
