CPR & First Aid Training Classes | American Heart Association

As the authority in resuscitation science, research and training, we publish the official AHA Guidelines for CPR & ECC. We translate these Guidelines into the highest quality training materials, courses and programs in CPR, first aid and advanced emergency cardiovascular care for healthcare professionals, first responders, employees and the general public.

Use the Find a Course tool to find Instructor-Led courses & skills sessions at Training Center near you.

Learn about our convenient Blended Learning & eLearning course options.

Visit one of our Distributors to purchase course materials.
