Important Information for New Patients of Primary Care and Tree City Medical:

For all new patients:

- Please arrive 30 minutes prior to your appointment time in order to allow sufficient time to complete necessary paperwork, enter your information into our system, and update your past medical history.
- Please bring ALL bottles for all medications and supplements that you are taking. This helps us make sure that our information is as accurate as possible.
- At your first appointment, your provider will review your past medical history and your current health status with you. The more information we have, the better care we can provide. Please be ready to provide a detailed medical history, including any previous surgeries, health issues, and family history.
- Please have the names and contact information for all previous medical care providers at your visit so that we can obtain records. It is best if you complete a Release of Information form (ROI) with these providers ahead of time, in order to have your records available at the time of your first visit.
- If your insurance requires a co-pay, we will be collecting that payment at the time of check-in for your first visit. Please be sure to bring an appropriate form of payment. We accept cash, check, and credit cards (except American Express).
- Please bring your identification and insurance card(s) to all visits so that we always have the most updated information.

For new patients who are currently on narcotic prescriptions (also known as controlled substances):

- Our providers WILL NOT be dispensing new narcotic prescriptions or refilling current narcotic prescriptions at the first visit. You will need to contact your previous provider for any refill needs.
- If your provider decides that narcotic prescriptions are medically indicated for treatment of your condition(s), then you may be asked to complete a controlled substance agreement outlining additional terms related to these prescriptions. Violation of this agreement may result in your dismissal from both Primary Care and Tree City Medical practices.

We look forward to caring for you and helping you stay in good health!

MYHEALTH PATIENT PORTAL

MyHealth is Decatur County Memorial Hospital and its affiliated medical practices patient portal. The patient portal is a secure online web product that gives you 24-hour access to your personal health information.

Patients can view and print health information such as:

- History of hospitalizations and clinic visits
- Provider listing per specialty
- Lab and Radiology test results
- Discharge instructions
- Medical conditions/medication history/allergies/health summary
- View scheduled appointments

Patients can also interact with providers through the secure electronic exchange of messages similar to email.

To register, go to **www.dcmh.net** and click on the MyHealth Patient Portal or Contact Susie Cupp at **812-663-1226** with any questions.

Patient Portal Proxy Form

If you would like to register your minor children or become a proxy for another adult, you must complete the "Authorization for Proxy Access to myHealth Patient Portal." The proxy would then be able to easily view their loved ones' records by toggling under their own username to their loved ones' name without creating more usernames and passwords. The form is located at dcmh.net/myhealth and must be sent via interdisciplinary mail or scanned and emailed to Susie Cupp at susie.cupp@dcmh.net in Nursing Administration.

Patient Portal App

We now have an app available for patients to access the MyHealth patient portal! Once you have completed the registration process, you can use your username and password at the DCMH website, MyHealth Patient Portal page or use the QR codes below to access your medical records TODAY. It's that easy!
